Vaccinator Durugiah attained his 55th year on t
18th June 1934; and as no public grounds were urged
time for his further retention in service, he was r
to retire with effect from that date and was grante
superannuation pension of Rs.10/8 per mensem.

The Staff Surgeon now requests that Pensioner D
may be re-employed in his former post for a period
2 or 3 years from the 1st April 1935, as he conside
Durugiah's services to be "indispensable" until a sui
candidate is trained in his work.

(4)

Under Article 520(ii), C.S.R., the Hon'ble the
Resident may on public grounds re-employ in Government service an off
who is in receipt of a superannuation pension; and
Article 521, his pension may be held in abeyance du
the period of his re-employment.

(5)

It is submitted however that the grounds urged
Staff Surgeon for Durugiah's re-employment cannot b
considered as substantial. It cannot ~~after all~~ be
difficult matter to replace a vaccinator in a hospi
another trained man. There are several qualified
vaccinators employed under the Municipal Commissior
and the Health Officer may be able to suggest the n
of a suitable candidate for appointment in the Staf
Hospital.

(6)

If however the Secretary considers that there i
need to pursue the matter, we may accept the Staff
Surgeon's recommendation and re-employ Durugiah for
period of 2 years from 1st April 1935. It should be

With reference to your No.4022 dated 193[illegible] I beg to inform you that two Vaccinators careful selection have been employed on proba since the retirement of Mr.Durugiah on 15th J and have both been found unsatisfactory and n the standard required for the appointment.

Mr. Durugiah has been employed in the pensary since 1907 and his services may be co "indispensable". It will take a considerable train another man in his duties.

We have had to rely on ~~the~~ his help more continuously during ~~the~~ his retirement.

The appointment of Vaccinator to the and Followers Dispensary is of a somewhat uni nature and has only been held by one man for It is therefore requested that Mr.Durugiah be employed for a period of 2 or 3 years from 1s till a suitable candidate be trained in the p work. If this can be sanctioned please cance of my No.233 of 15th March 1935.

Creation of a temporary post of a Vaccinator for the Staff Dispensary, Bangalore.

Sir,

S.N.10
c.p.12

With reference to memorandum No.F.30(60)-E/35, date the 21st November 1935, from the Government of India, Fore and Political Department, I have the honour to say that th vaccination staff attached to the Staff Dispensary, Bangal consists of 2 posts, held by a man and a woman. Their pa and allowances are as follows:-

	Old scale. Rs.	New scale. Rs.
S.N.42 F.315-07 Vaccinator.		
Pay. ..	30	28
Conveyance allowance.	10	10
Vaccinatrix.		
Pay. ..	25	23
Conveyance allowance.	10	10

New entrants to the post of the Vaccinator are therefore entitled to a pay of Rs.28/- and not Rs.23/-. The post o temporary vaccinator was created to enable a probationer t trained with a view to his replacing the vaccinator on the latter's retirement as it has been found impossible to rep him otherwise. The pay of the post was fixed at Rs.25/- (Rs.3/- less than the pay admissible to a new entrant to t permanent post) in consideration of the fact that it was n proposed to grant a conveyance allowance.
